## Last Glitterbeard Commendation (Easteregg)

- [Sea of Thieves / Carry on the Legend / Glitterbeard Easter Egg](#)
- You need 8 players for this.
  - Head to the Plunder Valley and find a tree with 16 bottles on it (it's on the NW side of the island). There is 8 spots around the tree, each player has to stand on one of the marked spots with a musical instrument in its hands. The order is this:
  - West + East = banjo
  - North + South = hurdy gurdy
  - Southeast + Northwest = accordion
  - Northeast + Southwest = drum
  - You have to start playing a Becalmed shanty right after the sunset, you have approx 10-30 secs window after the sun goes down. Don't stop playing, the bottles will light up if you're doing it right.
